

ALLE FAMIGLIE DI MADRELINGUA INGLESE

Dear Parents,

The teachers and students of the State Professional Institute “L. Einaudi” are glad to see you and to introduce you their school. The Institute “L. Einaudi” is in Grosseto, in **Piazza de Maria 31**, and it’s close to the centre of Grosseto and it is easy to reach on foot and by buses. As we have many students, there are two other schools, one is in **Via de’ Barberi** (Graphics and Social) and one in **Via Giolitti** (Hotel and Touristic).

It’s an institute of learning that comes after the junior high and prepares the students to the experiences of various jobs (with the Diploma of qualification that is obtained at the end of the third year) and allows the students to continue with the university (with the Diploma of State at the end of the fifth year).

The school offers 5 different specialisations (study addresses):

- 1. Touristic Address**
- 2. Enterprise-Computer Address**
- 3. Hotel Address**
- 4. Advertising and Graphics Address**
- 5. Social Address**

Touristic Address

With the Technical Diploma of Tourism you are able to work in travel agencies, public entities for tourism, congresses, organizations, hotel structures, and as a tour guide, animator, in touristic villages, hostess on cruise ships and congresses.

Besides the general cultural subjects like Italian, History, Maths, English, Law and Science there is a second language (you can choose it between French, Spanish, and German), and other subjects such as Touristic techniques, Touristic Geography, History of Art that aren’t only studied in school but also in museums, cities, archeology sites, natural parks, and touristic structures.

Enterprise- Computer Address

With the Technical Diploma of Enterprise-Computer the students acquire the necessary knowledge to work in various enterprises. Then it’s possible to work in public and private structures, in enterprises and in web creating.

Besides the general subjects like Italian, History, Maths, English, Law, Science there are other subjects like Economy, Banking, Informatics, and a second language between French, Spanish, and German. The competences gained are reinforced, like in all the other addresses, through a period of time shared between school and various enterprises in the area.

Hotel Address

This address is divided in 2 years of general study and a third year in which the students can choose one of the following addresses:

- Cooking**
- Bar**
- Reception**

In the Restorative address (which includes Cooking and Bar) you study common subjects like Italian, History, Maths, English, Law and Science. They also dedicate most of their time studying Principles of Alimentation, Cooking laboratory, Bar laboratory, and a second language between French, Spanish and German.

With the Technical Diploma of Restorative Services the students will have reached the competence level to be able to pursue the restorative business; they'll also be experts in the regional and typical cooking, matching wine with various foods, organising buffet, banquets and parties.

Regarding the **Reception Services** the student will be able to, after the third year, to greet and assist the guests during their stay in a hotel or hotel like structures, to give information about touristic sites and to handle the stewardship.

At the end of the fifth year the student will achieve, like in the touristic address, the Technical Diploma of Touristic Techniques and Services. Besides the general subjects like Italian, History, Maths, English, Law, Science their time will be dedicated also to other subjects such as Hotel Management, Geography of touristic cultures and resources, Reception and the choice of a second language between French, Spanish and German.

Advertising and Graphics Address

With the Technical Diploma of Graphic and Publicity it is possible to work in advertising agencies, in photographic laboratories, in communication agencies (printshops, serigraphy, etc...) and in communication businesses.

Besides the general subjects like Italian, History, Maths, English, Law, Science there are also subjects like Graphic Design, Graphic Planning, Professional, Visual Arts History, Psychology, Visual communication, Advertising techniques, Photography.

Social Address

In this address you study, besides the general subjects like Italian, History, Maths, English, Law, Science, specific subjects like Psychology, Musical Education, Design, Operative Techniques, Social Economics Legislation. With the Technical Diploma of Social Services the student will be able to work in toy library, social centres, kindergartens, and as an animator in touristic structures.

Our school is always open and offers our students the opportunities to follow and improve various activities. For example:
